GROUP BOOKINGS - HOW TO

- Call our friendly office team on (07) 5424-1466 to check availability of proposed dates.
- Once your group has agreed on a date call us to make a booking, we will need the following: - The organisers Name, Phone Numbers, Address, Email Address, the number of sites/cabins/motel rooms required and the main dates for the booking. The organiser will be required to pay their individual site/cabin/motel room first night deposit at time of group booking.
- Group Members are then required to call us individually to pay their first full night's deposit to secure their site/cabin/motel room, with the balance payable on arrival (or deducted from card for late arrivals)
- Cabin/motel room deposits are required ASAP after the group booking has been made.
- Site deposits are required a minimum one month prior to group booking, (two months for large groups or if booking is during a peak period, public holiday or local event weekend.)
- To avoid disappointment, we recommend group members ring and pay their deposit to secure their spot at their earliest convenience.
- For very large groups we may request full payment approximately 1 week prior to arrival, this is to help us get you settled into your accommodation as quickly as possible and to avoid a long wait checking in.
- Speak to us about group meal bookings at one of our friendly local eatery's or restaurants. (Most in walking distance)

PLEASE NOTE:

- **We are very passionate about ensuring, that as a guest, you have exclusive use of the Park/Motel facilities. With that in mind, *subject to availability*, day visitors may join in on group activities within the park by purchasing a day pass from reception upon arrival.
